SUMMARY

B.Tech Chemical Engineering student at NIT Hamirpur with hands-on experience building AI-assisted digital products, including 6+ apps and 5+ websites for my startup, Multiverse City. Experienced in translating product requirements into customized user interfaces, working with AI development tools, and setting up application backends using Supabase,Firebase etc. Also experienced in pharmaceutical quality control through two internships. Currently learning C++, Data Structures and Algorithms (DSA), and web development.

EDUCATION

National Institute of Technology,Hamirpur
B.Tech in Chemical Engineering
2024 – Present

SKILLS

- AI-Assisted Application Development
- Website and App UI Customization
- Frontend and Backend Integration
- Supabase Backend and Database Setup
- AI Prompting and Iterative Development
- Product Planning and Feature Design
- Application Testing and Debugging with AI Assistance
- C++ and Data Structures & Algorithms — Currently Learning
- Web Development — Currently Learning

CERTIFICATION

- C++ and Data Structures & Algorithms — In Progress
- Web Development — Currently Learning

INTERESTS

- Product Building
- Exploring AI Tools
- Badminton
- Travelling

FEATURED PROJECT

Multiverse City — Startup App & Website Ecosystem
Founder / Product Builder | 2026 – Present• Built and customized 6+ apps and 5+ websites using multiple AI development tools.
• Worked on product interfaces, workflows and Supabase,Firebase etc backend/database setup.
• Planned modules for local shops, delivery, cabs, appointments, real estate and theatres.
• Company website and app are live; links are included below.

INTERNSHIP EXPERIENCE

Summer Intern — Quality Control
Shiv Healthcare | 12 May 2026 – 12 July 2026
WHO-GMP-certified company. Exposure to pharmaceutical quality control procedures and documentation

Winter Intern — Quality Control
Pharma Force Lab, Unit II (Subsidiary of Mankind Pharma | 4 December 2025 – 5 January 2026
WHO-GMP-certified company. Exposure to pharmaceutical quality control processes and quality practices.

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Pixonoids — NIT Hamirpur
Executive Member | August 2025 – January 2026
Volunteer | January 2025 – August 2025

- Contributed to club activities related to photography, videography and web development.
- Participated in creative and technical activities while collaborating with fellow students.
